Dr. Miles' Heart Cure and Nervine Cured Me.

"It has been five years since I was cured of heart trouble by your Heart Cure and Nervine, and I am just as sound as a dollar in that organ today. For several years I had been suffering with my heart. Breathing had become short and difficult at times, short, sharp pains about the heart, sometimes accompanied with fluttering would make me feel faint and languid. The least excitement or mental worry would almost unnerve me. I felt that the trouble was growing worse all the time, and after trying many remedies prescribed by physicians without obtaining relief, I was induced to give your remedies a trial. I was relieved the second day, and after taking three or four bottles all symptoms were removed and have never showed signs of returning."—Rev. Geo. W. Kiracope, Chincoteague, Va.

Kiracope, Chineoteague, Va.

There are many symptoms of heart disease, which so closely resemble those of more common nervous disorders as to frequently mislead the attending physician. Often in cases of heart trouble the stomach, kidneys, liver or lungs become affected. Again the symptoms may be those of weakened nerves, as tired feeling, sleeplessness, timidity, the patient is easily excitable and apt to worry without cause. If you have the least suspicion that your heart is weak study your symptoms and begin the use of Dr. Miles' Heart Cure, the great heart and blood tonic, without a day's delay.

Auditor's Notice.

STATE OF SOUTH CAROLINA, County of Pickens.

Statement of Auditor's Appointments for taking Returns For Year 1903.

The Auditor's books will be opened on the first day of January, 1903, for the purpose of taking Returns of Real and Personal property and Polls, and for all special taxation in Pickens County.

Office of County Auditor, Pickens County, Nov. 7, 1902

Six Mile on Menday, January 5th. Calhoun Tuesday January 6th. Central Wednesday January 7th. Catecohee Thursday January Sth. Liberty Friday January 9th. Pickens Saturday January 10th. Easley, Monday and Tuesday, January 12th and 13th. Croswell, Wednesday, January 14th. Cross Plains, Thursday, January 15th. Looper's Shop, Friday, January 16th. Pickens, Saturday, January 17th. George Holcombe's Residence, Friday, January 231.

Pickens, Saturday, January 24th.

Mile Creek, Monday, January 26th. Praters, Tuesday, January 27th After the 27th of January 1903, I will be in my office, Pickens Court House, continuously until the 20th day of February 1903, after which ime the books will be c'osed and fifty (50) per cent penalty will be added

for non returns. In order to save confusion and to avoid mistakes, the Auditor will attend personally to the taking of all returns, and all persons owning property or liable to a poll assessment are requested to meet the Auditor on his rounds and be prepared to give full information as to his property and the name and number of the school district in which he lives and in which his property, liable for taxation, is situated.

Should any be unable to meet the Auditor on his rounds, it will be to their interest to see him in his office before his books are closed on the 20th of February 1993. All persons owning property in any district or districts in which there is a special levy for school purposes are requested to come prepared

to give the value of any such property so subject to special levy for school No returns made by mail will be accepted, as the law requires that all persons owning property must have the same returned for taxation either personally or by agent duly authorized to atted to the same for the owner,

and all returns must be made under oath. It will save much time to taxpayers, also greatly facilitate the work o the Assessor, if every person before leaving home will make out a complete list of every item of personal property in the following order: Horses, cattle, mules, sheep and goats, hogs, watches, organs and pianos, buggies, wagons and carriages, dogs, merchandise, machinery and engines, moneys, notes and accounts above indebtedness, and all other property, including household goods.

It is always required that the Auditor get the first given name in full. Under the head of place of residence on tax return, give the towns ship. And all tax-payers are required to give number of their school district. They are also requested to state whether the property is situated in town or in the country. And if part lies in town and part outside, or a part in one township and a part in another township, so specify, giving the

number of acres and valuation in each instance. Taxpayers return what they own on the 1st day of January, 1908. The law requires that ail persons owning property or in anywise have ing charge of such property, either as agent, husband, guardian, trustee,

executor, administrator, etc., return the same under oath to the Auditor. All male citizens between the ages of twenty.one and sixty years, on the 1st day of January, except those who are incapable of carning a support from being maimed, or from other causes, are deemed taxable polls, Confederate veterans are excepted,

In every community there are persons who cannot read or that do

not take a newspaper. Those more fortunate may do such persons a great favor by telling them of the time to make returns or by returning for them. Both real and personal property are to be assessed for taxation at this time at the real value thereof. If property is returned at less than its value or it there should be an inequality in the valuation of the same class of property the same will be referred to the County Board of Equalization for correction. To avoid trouble of this kind to both myself and the taxpayer I would urge upon each taxpayer to make a full and fair return and valuat

tion of his or her property. Respectfully, ELFOSTER KEITTE.
